

Harbor View

Recreation or travel
The opportunities are endless!
Enjoy the freedom and convenience of all the RV lifestyle has to offer. Whether it is a weekend get away or an extended stay, Harbor View opens doors to your new adventures!

Designed with special needs in mind, Harbor View is your choice for *elegant style and unlimited accessibility!*

Accessible Travel Trailers

Elegant Style, Unlimited Accessibility...

When it comes to smart design, *Harbor View* leads the industry in accessibility and comfort.

Hook up to your *Harbor View* with the easy-access electric tongue jack. When you arrive at your destination, use the hand-held remote control system to quickly set up your unit. Slide outs, front & rear stabilizer jacks, exterior lights, and the electric awning operate easily with the push of a button and you will be enjoying your trailer in minutes. The remote-controlled, commercial-grade **Ricon K2003** chair lift and 44-inch entry door provide plenty of room for a scooter or wheel chair.

Interiors are thoughtfully laid out to ensure the utmost comfort and convenience. Spacious living areas feature large windows, residential furniture, and nylon carpet. Accessible bedrooms and diverse floorplans means finding a coach that fits your lifestyle is easy.

The kitchen is user-friendly and features abundant recessed halogen lighting and conveniently located appliances. High-definition laminate counter tops add beauty to the glazed maple cabinetry throughout. The extra-wide pass through interior doors allow for easy movement throughout the unit. Bathrooms feature a "Roll-in" shower, adjustable shower head, and stainless steel assist bars.

Enjoy the convenience and comfort of your *Harbor View* trailer on your next family camping trip or for visiting with family and friends.
